## Action Taken Report 2021-22

Though the student are satisfied with the curriculum and activities provided to them at the institute further steps would be taken to address their concerns and to make them more benefited.

- As indicated by the II Year student to modify the module objectives the respective teacher would be suggested to discuss the objectives as per the nature of the real life practical experience the institute will take the initiative to organise some workshop, guidance in classroom in which practical application of the theory shall be discussed.
- As per the student suggest the titles and number of books will be increase specially Marathi and English, Hindi medium student in the library. The effort will be made to suggest to provide E-source and E-Book.
- In the year 2021-2022 Batch B.Ed so hopefully now it will be convenient for the student to cover the entire syllabus along with the activities which are integral part of healthy curriculum .
- The institute also by considering student requirement for more technical sessions also organise workshop in the technological part of the teaching learning.
- Final lessons practice programme arrange institute for guidance lesson and skill base enhancement to the student.
