STUDENT MENTORING POLICY

In the contest of Teacher Training education in the Jijamata Education College. Mentoring may be recognized as a strategy required by the students to achieve learning goals with emotional and instrumental supports thus the student membership program will incorporate the support of faculty members as "Mentors" to all the students in the college.

OBJECTIVES OF STUDENT MENTORING POLICY:-

The target of this mentoring is to identify fundamental mechanisms that will

1. Provide students with career and non-academic counselling.
2. Provide students with information on preparatory courses such as skill courses. Bridge courses etc. For their academic growth.
3. Focus and motivate students to achieve learning goals and thereby improve their academic performance.
4. Guide, encourage and advice the student about their upcoming student life, student health, mental and emotional well-being and listen to their issues with patience and help them solve their concerns with appropriate resources, support and referral available.
5. Generate curiosity and interest in academics and other institutional activities amongst the students.
6. To help student in their social and economic problems.

ELEMENTS OF STUDENT MENTORING POLICY:-

The student mentoring program will help identity.

- Under achiever students.
- The mechanism to aid under-achieved students.
- Realization of desired outcomes post mentoring.
